

6 Mistakes That Can Kill Your Business

Philip C. Henry, ChFC, CFS of Henry Wealth Management, LLC
A local Licensee of BusinessKillers®

BusinessKillers® is a 45-minute educational presentation designed by industry experts and business owners like yourself. It allows you to assess how well you have protected your company from the six biggest mistakes that can “kill” a business. It can be experienced in the privacy of your office or in a small workshop setting.

The 6 mistakes you can avoid

“I know what my business is worth.”

“There’s plenty of time for that.”

“I’m too busy running the company.”

“My business is my retirement.”

“That’ll never happen to me.”

“You can’t beat Uncle Sam.”
